Value-added benefits, automatically included

Little Partners Benefit:	Dental services for children 12 and under will be covered at 100 percent with no deductible, no annual maximum or frequency limitations when going to an in-network dentist. Little Partners does not include orthodontic, dental implant or services not covered for other members.
Diabetes and Pregnancy:	For those living with diabetes or who are pregnant and at risk of gum disease, we cover additional exams, cleanings, scaling and root planing, and debridement 100 percent at in-network dentists.

This document is an overview of your HealthPartners coverage. For exact coverage terms and conditions, consult your plan materials or contact Member Services at (952) 883-5000 or 1-800-883-2177

Included with your medical plan
Effective January 2022 – December 2022

Pediatric Dental benefit

A lifetime of healthy smiles starts with the first tooth. Your medical plan includes pediatric dental, which means you're helping your employees and their dependents achieve total health. Plus, you're meeting the requirements of the Affordable Care Act (ACA).

These benefits are included within the ACA-compliant small employer medical plans issued by HealthPartners. Please note this is not a separate dental plan.
